

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Lo let that night be solitary
& let no joyful voice come therein

Let the Day perish wherein I was Born
And they sat down with him upon the ground seven days & seven
nights & none spake a word unto him for they saw that his grief
was very great

London: Published as the Act directs March 8 1623 by Will. Blaine V. Printer in Great Brittain

Shall mortal Man be more Just than God? Shall a Man be more Pure than

his Maker? Behold he putteth no trust!

his Saints & his Angels be charged with Folly

Then a Spirit paled before my face
the hair of my flesh stood up

But he knoweth the way that I take
 when he hath tried me I shall come forth like gold
 Have pity upon me: Have pity upon me. O ye my friends
 for the hand of God hath touch'd me

Though he slay me yet will I trust in him

The Just Upright Man is laughed to scorn

Man that is born of a Woman is of few days & full of trouble
 he cometh up like a flower & is cut down he flieth also as a shadow
 & continueth not: And dost thou open thine eyes upon such a one
 & bringest me into judgment with thee

My bones are pierced in me in the
night season & my sinews
take no rest

My skin is black upon me
& my bones are burned
with heat

The triumphing of the wicked
is short, the joy of the hypocrite is
but for a moment

Satan himself is transformed into an Angel of Light & his Ministers into Ministers of Righteousness

With Dreams upon my bed thou scarest me & alligstest me
with Visions

Why do you persecute me as God & are not satisfied with my flesh. Oh that my words
were printed in a Book that they were graven with an iron pen & lead in the rock for ever
For I know that my Redeemer liveth & that he shall stand in the latter days upon
the Earth & after my skin destroy thou this body yet in my flesh shall I see God
whom I shall see for Myself and mine eyes shall behold & not Another: thn consumed be
Who opposeth & exalteth himself above all that is called God or is worshipped

Cast him back and the Almighty is perfected

The Accuser of our Brethren is cast down
when Satan and his angels are cast out

by gathering God and God

Even the Devils are Subject to Us thro thy Name

It is greater than Hell itself and Hell itself
The Prince of this World shall be cast out

Thou hast fulfilled the Judgment of the Wicked

Great & Marvellous are thy Works
Lord God Almighty

Just & True are thy Ways
O thou King of Saints

• So the Lord blessed the latter end of Job
more than the beginning

After this Job lived
an hundred & forty years
& saw his Sons & his
Sons Sons

even four Generations
So Job died
being old
& full of days

In burnt Offerings for Sin
thou hast had no Pleasure
